SEVENTEENTH ANNUAL REPORT, 1912, OF THE AMERICAN SCENIC AND HISTORIC PRESERVATION SOCIETY. (Albany, N. Y., The Argus Company, Printers, 1912. Pp. 668.)

This is a report to the Legislature of the State of New York and is devoted mostly to activities of the Society within that State. There are some features of the book, however, of interest to the Pacific Northwest. Pages 255 to 264 are devoted to the National Parks and Monuments with a list brought up to date. Two of the largest in America are within the State of Washington—Mount Rainier National Park, 207,360 acres, and Mount Olympus National Monument, 608,640 acres. Pages 421 to 432 are devoted to The Transcontinental Trails. There is a map and illustrations of this work, including the old Oregon Trail. The article on Stadiums, Ancient and Modern, mentions the great stadium of the Tacoma High School (page 418), and there are two full-page illustrations, one showing Old Woman's Gulch before the stadium was built and the other shows the folk dances at the time of dedicating the completed work.
